To whom it may concern,

**Re: Claim No F57YM277
Mr. James K Vanderpant vs Dyena Ltd
In the County Court at Southampton**

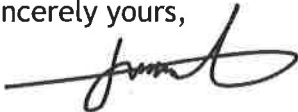

I am very grateful for the legal services Mr. Emil Mihai Lixandru has provided me with over the past year on my case in the UK.

I mostly appreciate that throughout the process he stayed in touch with me constantly in order to make sure we kept on track and that we had all of the right paperwork properly filled with the court.

It was a very complex case that required a lot of due diligence hence it was helpful to have Emil guiding at certain crossroads.

I am grateful for his commitment which resulted in a favorable settlement.

Sincerely yours,

Mr. James K. Vanderpant
