To whom it may concern:

I am extremely delighted to recommend Mr. Emil Lixandru as being the most professional lawyer I did work with.

I did instruct him in two law matters recently, one HANDLING STOLEN GOODS and CONSPIRACY TO COMMIT VEHICLE THEFT and I can confirm that his work and commitment led to a NO FURTHER ACTION decision in both cases.

I can confirm that for any future support in law matters, I will not think to instruct someone else but only him as he proved to me that is the best option I might have.

Sincerely,

Dan Grigore
